

AT A GLANCE

Star of Hope Mission is a Christ-centered community dedicated to meeting the needs of homeless men, women, and their children. Positive life changes are encouraged through structured programs which focus on spiritual growth, education, employment, life management, and recovery from substance abuse.

Star of Hope Volunteer Opportunities

Assist in Central Station – MDC

Our Men's Development Center staff needs volunteers to assist them in Central Station, where our residents contact their case managers and receive hygiene and toiletry items. We are looking for friendly, attention-to-detail volunteers who will assist in answering phones, directing traffic through the area and paging residents.

Serve Meals - MDC/WFDC

We serve three meals a day, 365-days per year, at each Star of Hope campus. What an opportunity to encourage and uplift as you hand meal trays to our clients. Individual volunteers or small groups are scheduled on an on-going or one-time basis. Volunteers help set-up — which may include tasks such as prepping veggies, making sack lunches or organizing the pantry — serve and clean-up.

Adult Program Supply Kit - Off-site

During their stay at Star of Hope our residents attend programmatic classes daily and need supplies to be successful in accomplishing their educational and career goals. Gather friends and family and assemble program supply kits for our adult residents. You can collect the items by hosting a drive or purchasing them.

Host Snacks and Goodnight - Women and Family Development Center

Who does not love an evening snack? It can be a long time between dinner and breakfast when you cannot raid the fridge for a snack. Volunteers have a wonderful time visiting with clients as they provide and serve an evening snack. Volunteers arrive between 7:15 PM - 7:30 PM. Snack time is over at 8:15 PM. Volunteers help sweep-up and sign-out by 8:30 PM.

Hope Bags - Off-site

Prepare Hope Bags that meet immediate, daily needs of the men, women, and children of our city. You may assemble hygiene bags and /or snack bags.

Make Sack Lunches - MDC/WFDC/Off-site

Sack lunches are an everyday need for residents who are out job searching, at social service appointments or just arrived at our shelter. Sack lunches consist of a sandwich (condiments on the side) and a few sides such as chips, snack bars, fruit, and/or dessert. We also ask that you provide bottled water to be distributed with the lunch.

Housewarming Gift Baskets - Off-site

Moving into a new home is exciting and a dream come true for many of our residents. Many things are needed to make it feel like home, and that is where you come in. Gather friends and family to assemble housewarming baskets for our residents transitioning from Star of Hope into their new homes.
